BUILD A REPUTATION.

When you build a model, you build a reputation, too. A reputation for hard work. Care and concentration. Attention to detail.

And when it comes to details, one model company's reputation stands above all the others. MPC. Every MPC model is 100% authentic. Down to the smallest detail.

And MPC has a wide selection of

reputable models to choose from. Including their unique line of '87 American High Performance cars, models of the latest cars in production.

Plus, every kit comes with easy-to-follow assembly instructions. So you know, when it's finished, your model will look terrific. And a good looking model can earn you a good looking reputation.

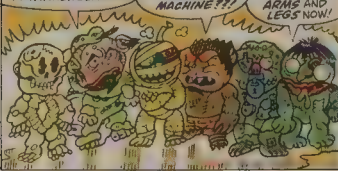

Just like the real thing. Only smaller.

MADMAIL

SID JACOBSON
EDITOR

LAURA HITCHCOCK
ASSISTANT EDITOR

Dear STAR

I've just finished reading MADBALLS #4. I thought it was terrific. I was glad you made more than just three MADBALL comics. I liked the idea of getting a place for the MADBALLS to live in. I would like to see an adventure where they find a key for Lock Lips. Then maybe the MADBALLS could understand at least one word he says!

Chris Kisman
Saginaw MI

We could title it 'MMGFH PTN BBRNLT!' Catchy, eh?

Dear MADBALLS

When I picked up MADBALLS #4 I thought, "What madness are the Madballs to now?" When I saw there were 8 more Madballs I thought, "More fun!" And when I read that MADBALLS would be a bi-monthly I screamed HURRAY! But I have a question. What does bi-monthly mean?

A Madballmaniac,

Robert Payne
Newfoundland CANADA

Terrific!! Stupendous!!! Incredible!!!
What were you talking about?

Dear Madma

Wow!! NEAT!! GAROSS!! These are just a few words describing issue #5! Nineteen Madballs wow that sure is a lot! I especially like Touchdown Terror

When is Doktor Frankenbeans gonna stop creating more Madballs? I sure hope he doesn't cause I wanna see more MORE MADBALLS!

Until Screamin' Meemie loses his voice Make Mine STAR!

Your MADDEST Fan

Robby Stibal
Ft Lauderdale FL

PS Glad ya made MADBALLS bi-monthly! Also please print this letter!

Obviously, you have the best worst taste around

Dear MADBALLS

I've got a great idea. You made Madba is then Super Madballs. How about Mini Madballs? One could be a golf ball called Fore and a cueball named QB!! They would be small but really pack a punch!

Joshua Fosberry
Hadley NY

Dear STAR

I have one thing to say MORE MADBALLS!

Bradley Webb
Richmond B C
CANADA

You guys really do want us to become a gross, don't you? And if you don't know how many that is, look it up! (See? Not

only are we disgusting, we're educational, too!)

Dear MADBALLS

I have a few things to say, besides that MADBALLS is the best and most popular comic made by STAR

1 Thanks for making MADBALLS into a bi-monthly comic. Now make it monthly!

2 When do we get an annual?

3 I'm getting sick of seeing all these new ones pop up every issue so make sure to show the old along with the new MADBALLS

4 Lets see more of Bash Brain Aargh (my very most favorite) Snake Bait (soon, please!) Mph-ngh-ph (Lock Lips, that's!) and Goal Eaters

5 I wait for the return of Colonel Corn and the Cornba Mis Tic the Badballs Mad belts and Maden Hong Kong and gang

6 I love all the other villains too, most of all the ones that aren't Madballs

7 One last thing I can't wait for when the CARE BEARS meet the MADBALLS HAAAAH! Jess O Brian

1 You're welcome But one thing at a time, okay?

2 Not until you guys buy so many MADBALLS comics that the stuffy accountants upstairs are forced to admit that gross is great! (So get grossing, okay, already?)

3 See letters above for readers who appreciate all the Madballs. Hmmp!

4 This very issue shows more of the Madballs, don't you think, Jess? You might even say we included everybody!

5, & 6 We've received so much fan mail on all the MADBALLS villains, we're thinking of creating the craziest, grossest, grandest sequel of all time: "The Return of Everyone!!!" What do you think?

7 That was in CARE BEARS #13 — last month. So keep up with us, huh? Otherwise, our grossness may overwhelm you!!

Dear STAR

I just picked up a copy of MADBALLS #4. I thought it was really good to be stupid. Boy was I wrong! It was fabulous great excellent, stupendous! Please keep printing MADBALLS!

Danny McDevitt
Baltimore MD

Finally came 'round, eh?

Dear Mad Dudes

I love the MADBALLS comic books. They're great! But I'd like to know why Aargh never gets any action? Aargh is one of the coolest and toughest Madballs in my opinion.

John Capraruolo
East L. verpool OH

In Aargh's opinion, too!

Dear Gross People

I think you should keep on making MADBALLS comic books. Could you start making MADBALLS pocket-size books?

Keep up the good, gross work

Teddy Dastick
Barrington NJ

MADBALLS already is being reprinted in STAR COMICS MAGAZINE ... and each issue measures under 5 x 7"! So, if you have empty pockets — or just want to relive the whole ugly story of MADBALLS' origin — pick up STAR COMICS MAGAZINE #6 (And continuing in every issue, you lucky things!)

Dear STAR

I love the MADBALLS comic. I know you said to write something else. But once more okay? I like Duke Brain Horn Head, Skull Face, Oculus Orbus First Face Snake Bait Wolf Breath, Lock Lips and Splitting Headache. I love the series. Keep making more

Joe Harasewicz
Buchanan MI

Like we said, we're totally grossed out by all this praise. Eccch! Gross! Yuck! Blech-o!! (And now that we've said that - SEND MORE!!)

Dear Madbuddies

I LOVE the MADBALLS comic book! I'm glad you made MADBALLS a bi-monthly comic. I personally think MADBALLS is a very gross, neat-o, very eye-catching comic.

Matthew Kibbles' Campbell
Ephrata PA

Aww, that's a gross exaggeration!

Dear STAR

Thank you for making MADBALLS a regular comic. I have one question: why can't Dr. Frankenbeans have the Super Madballs on his side so he and Snivewitch aren't always the losers. Dr. Frankenbeans and Snivewitch go after the Madballs and the Madballs chase them back but if the Super Madba is were on the Doktor's side, the story might be different.

The owner of over 90 STAR Comics

Mike Tracy
Lxbridge MA

Well, the story might be different, but, unfortunately, the Madballs might be different, too. Who in his right head would want to hang out with that guy?? The Madballs may be gross, but they're not stupid!!

ROBOTECH™

The Role-Playing Game

Enter the world of ROBOTECH™! Become a veritech fighter pilot, a defender of Earth and freedom. The ROBOTECH™ Role-Playing Game enables you to play Rick Hunter, Lisa Hayes, Max Sterling, or the others or a brand "new" character of your own design!

What is a Role-Playing Game?

It is basically a game of "Let's Pretend" with rules and dice. Players build a character with strengths, weaknesses and skills and then assume that character's role, like an actor in improvisational theatre.

A game for 3 or more players.

Ages 13 and older.

Ideal for those who love to read or act.

Dice are not included.

Highlights Include . . .

- Details on Veritech Mecha.
- The SDF-1
- Zentraedi
- Characters
- Lavishly Illustrated.
- 8½ x 11 Trade Paperback Book
- \$9.95 — 114 Pages.

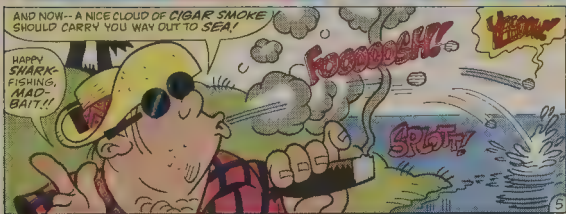

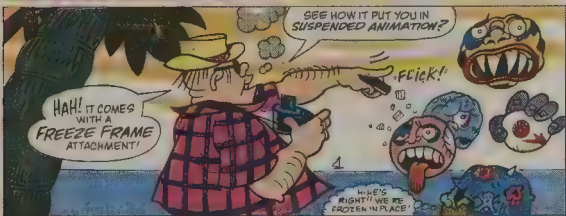

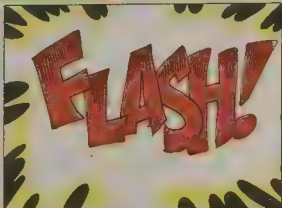

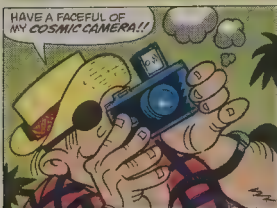

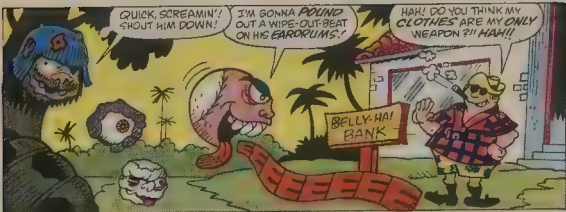

Available at fine comic book stores and hobby shops everywhere. Or directly from . . . **Palladium Books®**, 5926 Lonyo, Detroit, MI 48210, Dept. C.

Please allow 4-6 weeks for delivery.

STAR SIGNALS

MEET SUPER-STAR WARREN KREMER

Marvel freelance credits (past): Penciler on EWOKS, PLANET TERRY, POPPLES HUGGA BUNCH and ROYAL ROY

Marvel freelance credits (present): Penciler on HEATHCLIFF, FLINTSTONE KIDS, and TOP DOG

My hobbies are: Woodworking & I love to build things and fix things.

The single work of which I am most proud is: I once built a model airplane, and it flew!

My pet peeves are: Commercials on radio and T.V.

My place of birth is: New York City

My greatest accomplishment outside the comics field is: I once painted a house

My oddest habit is: I clean down the tile in my stall shower with a squeee-gee.

If they were making a movie of my life, I'd like to see my part played by: Moe — from the Three Stooges.

The reason I got into comics was: I love to draw pictures.

People who knew me in High School thought I was: Weird.

My favorite performers are: My fellow artists and editor Sid Jacobson.

The last good book I read was: CONAN by Robert E. Howard

The last good movie I saw was: CONAN

The biggest influences on my work include: Steve Muffatti

My greatest unfulfilled ambition in the comics field is: Finding a pencil that doesn't break everytime I press down

The worst part of my job is: Putting down my pencil.

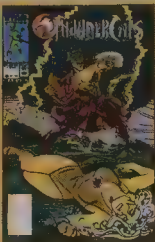

When nobody's looking I like to: Sleep.

The one thing I really want the world to know about me is: I prefer eating in restaurants in New Jersey.

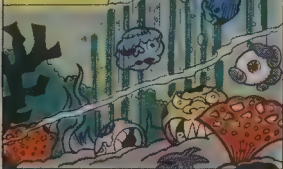

CHECKLIST

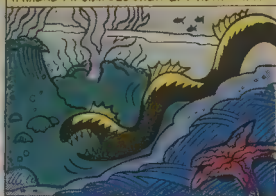

- ☐ THUNDERCATS #18 — An adaptation of "Doom Gaze" from the TV show by STEVE PERRY, who originally wrote the episode for TV.

"THE MILK CHOCOLATE MELTS IN
YOUR MOUTH-NOT IN YOUR HAND®"

If Party Popple picked a peck of Popple pals, who'd be the new perky, playful pals Party Popple picked?

Meet all the new pals in the world of Popples.

They're cute, happy, and more fun than a tongue twister. And, they pop in and out.

Rock Stars. He's Punkster and she's Punkity Popple.

And together they're rock 'n roll fun.

Baby Popples. Like all little ones, they can make mischief, but they're cute as can be.

Puffling Popples. Pop these little fuzzies out of their pouch and find a riddle to keep you guessing—and laughing.

Popples Sport Balls. Big Kick Popple,™ the soccer superstar, is just one of the three new Popples boys will love.
